NOTICE OF PUBLIC OPEN HOUSE

Ernst Street Reconstruction **Wednesday, February 1, 2012 between 4:30 pm and 7:00 pm** **Woolwich Memorial Centre (Meeting Room # 2, Second Floor)** **24 Snyder Avenue South, Elmira**

The Township of Woolwich is currently working with IBI Group on the engineering design of Ernst Street from Arthur Street South to Snyder Avenue South for construction in 2012.

The scope of work is to include the complete replacement of the existing sanitary sewers, cellar drains, storm sewers, watermains and all other surface works to the municipal property line. Included will be the replacement of the pavement structure, the installation of curb and gutter, new sidewalks, upgraded street lighting, and utility improvements where warranted by the utility companies. Construction is scheduled for May 2012 subject to Council's approval.

Display boards of the engineering design, information packages, comment forms and Staff from the Township and IBI Group will be available at the Public Open House for Ernst Street.
