

## TOWNSHIP OF WOOLWICH

### CLASS ENVIRONMENTAL ASSESSMENT

#### Floradale Road Structure #050106

### NOTICE OF PUBLIC INFORMATION CENTRE

#### THE STUDY

The Township of Woolwich, through their consultant AECOM, is undertaking an Environmental Assessment for the Floradale Road structure #050106, to assess potential rehabilitation or replacement options for the bridge. The project will be carried out under *Schedule "B"* in accordance with the requirements of the *Class Environmental Assessment for Municipal Projects*. The map below shows the location of the structure.

#### PUBLIC INFORMATION CENTRE

Public consultation is a key component of this study. A Public Information Centre (PIC) will be held to receive public input on the possible rehabilitation strategies for the Floradale Road Bridge. In addition to the PIC, there will be opportunity for the public to review and comment on the final Environmental Assessment report at the conclusion of the study.

The PIC will occur on Wednesday, September 28<sup>th</sup>, 2011 between 4:30 pm and 7:30 pm at:

#### Floradale Fire Hall

50 Florapine Road  
Floradale, Ontario, N0B 1V0

All those who have an interest in the study are urged to attend the PIC to submit input and comments, which will be incorporated into the planning and design of this project. To request further information, or provide comments at any time during the study, please contact:
