Notice of Default and Review of Contributions Report

Filing Requirements

Section 88.23 (5) of the Municipal Elections Act, 1996 (the “Act”) requires the Clerk to report publicly on all candidates in an election and indicate whether each candidate has complied with the financial statement filing requirements under section 88.25.

All candidates filed a financial statement on time and all financial statements have been posted on the [List of Candidates page](#) on the Township’s website in accordance with section 88 (9.1) of the Act.

Notice of Default

Section 88.23 (1) of the Act sets out reasons why a candidate may be in default of this section of the Act. Where a candidate is in default, the Clerk is required to provide notice that the default has occurred.

No candidate is in default, so notices of default were required.

Review of Contributions

In accordance with section 88.34 (1) and (2) of the Act, the Clerk is required to review the contributions reported on the financial statements submitted to determine whether any contributor appears to have exceeded any of the contribution limits under section 88.9.

The Clerk has completed this review and has found no contributions that appear to have exceeded contribution limits.

The Clerk has confirmed the above findings to all candidates.
