PUBLIC CONSULTATION CENTRE
BARNSWALLOW DRIVE
RECONSTRUCTION PROJECT

Wednesday, June 12, 2019
Gale Presbyterian Church, Lobby
10 Barnswallow Drive, Elmira
5:00pm to 7:00pm

The Township of Woolwich is currently working with GHD Limited on the design of Barnswallow Drive for reconstruction in 2020.

The scope of the Barnswallow Drive work includes the replacement of the existing underground storm and sanitary sewers, the addition of a new trunk sanitary sewer, replacement of the full pavement structure with bike lanes, and the installation of curb and gutter and sidewalks along both sides of the street. As well, infrastructure will be installed to accommodate future development in this area.

Construction is being scheduled for May 2020 subject to Council’s final approval.

The purpose of the Public Consultation Centre is to present the project to the Public and receive feedback from affected residents and stakeholders. Display boards and comment sheets will be available at the Public Consultation Centre and staff from the Township of Woolwich and GHD will be on hand to listen and answer questions regarding the project.
