

QUALITY MANAGEMENT POLICY

The Township of Woolwich receives treated drinking water from the Regional Municipality of Waterloo and is responsible for the distribution of treated drinking water to consumers in:

***Elmira,
St. Jacobs,
Conestogo,
West Montrose,
Maryhill,
Breslau,
and Heidelberg***

The Township of Woolwich is committed to:

- *Providing safe drinking water by working together with our consumers and the Region of Waterloo*
- *Maintaining and improving the Quality Management System for the drinking water distribution systems*
 - *Complying with all applicable legislation and regulations*
- *Communicating openly and effectively to the public concerning matters of drinking water quality*
