Final Inspection Deposit:

A refundable deposit of \$500.00 shall be collected for the following buildings; Single Family dwelling, Duplex, Semi-Detached, Townhouse and Triplex dwelling units, and shall be refunded upon completion of the final inspection clearing off any outstanding items, within 12 months of the Municipality issuing occupancy. Final inspection fee is in regards to the structure only.

Revision to Permit Fee:

A fee of \$0.03 per square foot of the revised floor area shall be paid for examination of revised plans. A minimum fee of \$108.00 shall be paid.

Infill Grading Deposit:

An Infill Grading Deposit shall be collected in the amount of \$3,000.00 for each building permit application for a Single Family dwelling, Duplex, Semi-Detached, Townhouse and Triplex dwelling units except when said permit application is subject to a Grading Deposit as required in a Subdivision Agreement under the Planning Act.

SCHEDULE "A"
By-law 27-2017

Refund of Infill Grading Deposit:

Upon the completion of a final inspection including final inspection of the individual lot grading by the inspector and confirmation of final grading approval in writing by the Professional Engineer (P.Eng), Certified Engineering Technologist (CET) or Ontario Land Surveyor (OLS), the construction deposit without interest (or such portion as remains unused) for that lot shall be returned by the Municipality to the party that paid the construction deposit.

The following guidelines are to be applied in the calculation of

1. Floor area of the proposed work is to be measured to the outer face of exterior walls and to the center line of party walls or demising walls.
2. In the case of interior alterations or renovations, area of proposed work is the actual space receiving the work, e.g. tenant suite.
3. Mechanical penthouses and floors, mezzanines, lofts, habitable attics and interior balconies are to be included in all floor area calculations.
4. Except for interconnected floor spaces, no deduction is made for openings within the floor area (e.g. stairs, elevators, escalators, shafts, ducts, etc).
5. Unfinished basements for single detached dwellings (including semis, duplexes and townhouses, etc.) are not included in the floor area.
6. Finished basements for single detached dwellings (including semis, duplexes and townhouses, etc.) are to be charged the interior finishing fee in Schedule 'A'.
7. Fireplaces, HVAC, electrical, woodstoves, site services are included in the permit fee for single family dwellings.
8. Where interior alterations and renovations require relocation of sprinkler heads or fire alarm components, no additional charge is applicable.

SCHEDULE "A"

By-law 27-2017

9. Ceilings are included in both new and finished (partitioned) buildings. The permit fees for ceilings apply only when alterations occur in existing buildings. Minor alterations to existing ceilings to accommodate lighting of HVAC improvements are not chargeable fees.

10. Where demolitions of partitions or alterations to existing ceilings are part of an alteration or renovation permit, no additional fee is applicable.

11. Corridors, lobbies, washrooms, lounges, etc. are to be included and classified according to the major classification for the floor area on which they are located.

12. The classes of building permits and occupancy categories in the schedule correspond with the definitions of major occupancy classifications in the Ontario Building Code. For mixed occupancies, the permit fees for each of the applicable occupancy categories may be used.

13. The Chief Building Official shall determine fees for classifications of permits not described or included in the schedule.
