

Section 6

Section 6: Awning Signs and Canopy Signs

Awning

6.1 *Awning signs* shall be attached to a building structure over a window or doorway.

Canopy

6.2 When attached to the face of a canopy, a *canopy sign* shall have a maximum projection beyond the canopy of 0.35 metres.

6.3 When erected on top of a canopy, a *canopy sign* shall not project beyond the face of the canopy, and shall have a maximum height of 1 metre.

6.4 The minimum *sign clearance* shall be 2.4 metres.
