Call for Nominations - Pandemic Heroes Program Recognizes Remarkable People in Woolwich Township

Woolwich, ON – Not all heroes wear capes but many wear face masks. To honour individuals, organizations and groups in our community that have been working behind the scenes in healthcare, not-for-profit and community organizations, the Township of Woolwich has launched its Pandemic Heroes Program.

“Pandemic Heroes are Woolwich residents, groups or organizations who have gone above and beyond to support their community during one of the most unprecedented times in our townships’ history,” said Mayor Sandy Shantz. “We want to honour these heroes, and I encourage our community to consider those who have done extraordinary things over the last year and to honour them by nominating them as a Pandemic Hero.”

Each honouree will receive a certificate signed by Mayor Shantz and will be recognized during the Township’s Positive Pandemic Impacts Virtual Event on May 26th, 2021. Nominations are open from March 17th – April 16th, 2021.

For more information on the program, visit: www.Woolwich.ca/COVID19

To fill out a nomination form, visit: www.woolwich.ca/pandemicheroes

Help us recognize these caring and compassionate individuals, organizations or groups in our community who have donned their capes; most without even knowing they are – and have day by day, helped to uplift and support our community.
