Shantz Station Pit Air Quality Review

Dear Mr. Welwood:

This letter is provided with respect to Dillon Consulting Limited's (Dillon) review of the Shantz Station Pit Air Quality Assessment and subsequent materials prepared by RWDI. Based on the studies prepared by RWDI, including the Best Management Practices Plan (BMPP), and subsequent e-mails provided by RWDI and the Proponent, Dillon has no further concerns regarding this proposal from an air quality perspective.

Sincerely,

DILLON CONSULTING LIMITED
