Business Leadership Award & TWEEC Sponsorship Recognition

Business Leadership Award

The Woolwich CARES Business Leadership Award recognises the business or corporation that, in the view of TWEEC (the Woolwich Environmental Enhancement Committee), has best met the selection criteria for undertaking an independent environmental project that primarily serves to benefit the residents of Woolwich Township.

Nomination forms for the Woolwich CARES Business Leadership Award will be available in December and accepted during January to June. The Award will be presented on an annual basis in September.

TWEEC Sponsorship Recognition

Businesses or corporations wishing to support environmental stewardship in Woolwich but not wishing or able to undertake an independent initiative can participate and be recognised through the TWEEC Sponsorship Recognition Program.

Businesses that make a direct financial contribution or a donation of materials or supplies to TWEEC will be publicly recognised by TWEEC through Woolwich CARES and the TWEEC Sponsorship Program. The value of the contribution will serve as the basis for determining the level of recognition.

For more information visit the TWEEC web site or contact Ann Roberts by email: aroberts@woolwich.ca.
